

Quran Memorization Planner

A flexible weekly planning sheet for Hifz learners

Use this planner to balance new memorization, recent revision, older revision, and teacher feedback. The goal is steady, accurate progress rather than an unrealistic daily target.

Learner: _____ **Week beginning:** _____

Primary goal for this week: _____

Weekly overview

Day	New memorization	Recent revision	Older revision	Teacher note or next step
Monday				
Tuesday				
Wednesday				
Thursday				
Friday				
Saturday				
Sunday				

Daily review check

Check	Notes
Did I recite the new passage accurately?	
Which passage needed the most help?	
Did I review older memorization without looking?	
Which pronunciation or Tajweed point should I ask about?	
What should I adjust tomorrow?	

Weekly reflection

Strongest passage:

Passage needing more revision: _____

One practical change for next week: _____

A smaller plan completed consistently is usually more useful than a larger plan that cannot be maintained. Adjust the amount of new memorization when accuracy, confidence, or revision quality needs more attention.
